VERIFIED
Certificate of Achievement

This is to certify that

Mauricio Mercado

has successfully completed

Mastering While Loops

a course of study offered by Real Python (realpython.com), an online learning platform and expert community for Python software developers.

Completion Date: Sept. 17, 2021
Verification ID: 3f275b30-27bb-47f7-bd2d-24a8c468a4e8

Real Python

Course Description

Master indefinite iteration using the Python "while" loop. You'll be able to construct basic and complex while loops, interrupt loop execution with break and continue, use the else clause with a while loop, and deal with infinite loops.

✅ Certificate of Completion

This person's account is verified and was created on May 24, 2021. Real Python certifies their completion of the *Mastering While Loops* course on Sept. 17, 2021.

About Real Python

Real Python is an online learning platform and expert community for Python software developers. It offers interactive online classes and in-depth tutorials created by a team of subject matter experts.
